

This pattern is recreated with minor updates from the copy found at Miss Julia's Craft Connection. That blog has not been updated since 2018, so I have made the pattern available here for archiving and sharing purposes. My only changes are sizing notes and the schematic at the end. All other text is original to the pattern.

Minor Text Updates and Schematic Addition by Gayle (icrochetedthething.com)

SIZE:

Small, 34".

Larger sizes can be achieved by increasing yarn weight & needle size.

Size can also be adjusted by adding 8 stitches at a time to starting row; the row will work out to pattern this way, but you will need to adjust pattern repeat numbers throughout.

MATERIALS:

Original Yarn was a Light Fingering Weight:

Beehive Lady Betty Fleecy, 3 ply: 5 ozs or

Beryl Fine-spun Angora, ½ oz: 6 Skeins

1 Crochet Hook #13 [UK] / 2.25 mm [US]

If working with a larger yarn, choose a hook based on the recommendation on the yarn label and complete a gauge swatch based on gauge details below.

MEASUREMENTS in Light Fingering Weight:

Length from cop of shoulder – 19"

Width all round at under-arm – 34".

Length of sleeve from underarm – 7"

GAUGE in Light Fingering Weight:

2 patts = 2 3/8"

3 rows SC = ½"

1 row DC = ½"

Work all chains loosely

If working with a larger yarn and hook, work a gauge swatch and measure accordingly.
